

PARTY FOR THE PLANET

SATURDAY, APRIL 22, 2023 | 11 A.M. - 3 P.M.

The zoo's annual Earth Day celebration brings dozens of conservation groups and thousands of visitors to the zoo to spotlight nature conservation and saving species. The event features animal demonstrations and keeper chats focused on endangered species, conservation-themed games and activities, puppet shows, green infrastructure and garden tours, and more. Our Conservation Stations and Eco-partners offer fun activities, giveaways and tips on how we can all help protect our planet.
