
I am going to the Rosamond Gifford Zoo for Zoo Boo! That means the zoo is celebrating Halloween!

To get into the zoo, I first walk into the main entrance, then I get my ticket to enter. I may have to wait in line. I can practice having a calm body. I am so proud of myself when I am patient!

I will see many children and adults at the zoo. Some will be wearing Halloween costumes, some will not. Everyone has a choice to wear a costume. It is fun to make choices!

There are Trick-or-Treat stations at Zoo Boo. When I stop at the stations with my treat bucket or bag, I can use my talker, hand speak or words to say “Trick-or-Treat”! Halloween is so fun!

I can have my picture taken at the zoo. Maybe on the big make-believe tiger or posing as penguins. I may have to wait my turn to get my picture taken. It is kind to wait my turn. Being kind is the best!

Children, music, and animal noises are some of the sounds I will hear at the zoo. If it is too loud I can put on my headphones or go to a quiet place. It is important to let my adult know that it is too loud for me.

Animals, people, food, and the outdoors are some of the smells I will smell at the zoo. If it is too smelly, I can eat a piece of candy, be sure my mask is over my nose, or smell something special.

Zoo Boo is during the daytime. If the sun or lights are too bright, I can put on sunglasses or a hat. Also, I can go to a shady spot. It is important to feel good and comfortable during my time at the zoo.

If I feel very wiggly or worried I can ask for a squeeze, take a break or go to a quiet place.
Feeling calm is important and good for me!

Take a Deep Breath

Smell the flower

Blow the pinwheel

It is important to be safe at the zoo. Staying with my adult, holding a hand, and not climbing will keep me safe. My safety is important to my family and the Rosamond Gifford Zoo. I love being safe!

There are many animals at the zoo. Some animal exhibits are inside, some animal exhibits are outside. I am most excited to see the _____!

Zoo Boo here I come!
